Preliminary Program

September 14th, 2007

08.30 Official Opening EGEUS 2007
Claudio De Angelis (EGEUS President)
Mario Rizzetto (Honorary President)
Felice Cosentino (SIED President)
Guido Costamagna (ESGE President Elect)

President: **Antonio Robecchi** (Turin, I)

Moderators: **Giancarlo Caletti** (Castel San Pietro Terme, I)
Martin Hiele (Leuven, B)

08.45 Lecture: Teaching and learning EUS
Marc Barthet (Marseille, F)

Scientific session I

Mediastinal EUS, part I: Esophageal cancer

09.10 Biology, natural history, staging and therapeutic options
Michael Bau Mortensen (Odense, D)

09.30 Radial EUS: the clinical impact of T stage
Stefan Seewald (Hamrburg, G)

09.45 Linear EUS: the clinical impact of N staging
Enriques Vazquez-Sequeiros (Madrid, S)

10.00 Panel discussion:
 thoracic surgeon **to be defined**
 abdominal surgeon **Maurizio De Giuli** (Turin, I)
 gastroenterologist **Paolo Bocus** (Padua, I)
 oncologist **to be defined**
 radiologist **Teresa Cammarota** (Turin, I)
 radiotherapist **to be defined**

10.20 *Coffee break*

Scientific session II

(Joint Meeting EGEUS/NEEG, North European EUS Group)

Mediastinal EUS, Part II: Lung cancer

President: **Luigi Dogliotti** (Orbassano, I)

Moderators: **Maria Angels Ginès** (Barcelona, S)

Telemaco Federici (Rome, I)

10.55 Biology, natural history, staging and therapeutic options **to be defined**

11.15 Role of EUS in Lung cancer
Michael B. Wallace (Jacksonville, USA)

11.35 The complete “medical” mediastinoscopy (EUS-FNA + EBUS)
Peter Vilmann (Copenhagen, D)

11.55 Panel discussion: thoracic surgeon, pneumologist, oncologist, radiologist, pathologist.

12.15 Lecture: The use of immunomolecular biology to enhance the accuracy of EUS
Maria Pellisé (Barcelona, Spain)

12.35 *Lunch time*

Cytopathologists and clinicians common session

Moderators: **Gianni Bussolati** (Turin, I)
Ivan Borbath (Bruxelles, B)

Opening Session

14.05 Endoscopic ultrasound-fine needle aspiration (EUS-FNA) for pancreatic lesions: effectiveness in clinical practice
Rodolfo Rocca (Turin, I)

14.20 Mutations in GIST diagnosed by EUS-FNA
Fernando Schmitt (Porto, P)

14.35 Endocrine tumor by EUS-FNA. Our experiences
Maria Angels Ginès (Barcelona, S)

14.50 On site evaluation and triage in EUS-FNA cytology
Donatella Pacchioni, Gianni Bussolati (Turin, I)

15.05 EUS-FNA of both infra an supradiafragmatic organs: Karolinska experiences.
Edneia Tani, Vitali Sviatoa (Stockholm, Sweden)

15.20 *Discussion*

15.30 **3 Workshops A, B, C** on 3 separate room (each one to be repeated two times)

September 15th, 2007

08.30 **3 Workshops A, B, C** on 3 separate room (each one to be repeated two times)

Scientific session III: biliopancreatic EUS
The management of patients with pancreatic cancer: a difficult challenge and multidisciplinary approach
President: **Antonio Mussa** (Turin, I)
Moderators: **Christian Boustière** (Marseille, F)
Giorgio Saracco (Turin, I)

09.35 Biology, clinics, natural history and therapeutic options: the clinician point of view
Italo Vantini (Verona, I)

- 09.55 Non invasive competition for EUS (US, CE-US, CT, MRI and PET/CT): the radiologist point of view
Giovanni Gandini (Turin, I)
- 10.15 Placing EUS in a shareable diagnostic and staging algorithm: the endoscopist point of view
Laurent Palazzo (Paris, F)
- 10.35 The surgeon point of view
Gian Ruggero Fronda (Turin, I)
- 10.55 Panel discussion:
gastroenterologist **Vittorio Ponti** (Turin, I)
oncologist **to be defined**
abdominal surgeon **Donata Campra** (Turin, I)
pathologist **to be defined**
radiologist **Andrea Veltri** (Orbassano, I)
radiotherapist **to be defined**
- 11.15 *Coffee break*
- 11.45 State of the Art Reviews, 2005-2006
President: **Giorgio Verme** (Turin, I)
Moderators: **Mario Morino** (Turin, I)
Vincent Gillard (Liège, B)
- 11.50 Esophago-gastric disease
Jan-Werner Poley (Rotterdam, The Netherland)
- 12.10 Biliopancreatic disease
Elisabetta Buscarini (Crema, I)
- 12.30 Anorectal and pelvic pathology
Pascal Burtin (Angers, F)
- 12.50 *Lunch time*
- Scientific Session IV**
President: **Giorgio Minoli** (Como, I)
Moderators: **Giacomo Bonanno** (Catania, I)
Cristiano Crosta (Milan, I)

- 14.10 Lecture: Clinical impact of EUS
Giancarlo Caletti (Castel San Pietro Terme, I)
- 14.30 Free papers and video-communications session
- 15.30 Lecture: Searching a role for EUS in Barrett's Esophagus and other acid-related or GI motility disorders
Svein Oedegaard (Bergen, Norway)
- 15.50 Lecture: Endoscopic Ultrasound and FNA in inflammatory and cystic pancreatic pathology
to be defined
- 16.10 *Coffee break*
- 16.40 **Scientific session V**
Therapeutic endoscopy: more and more EUS-guided
President: **Mauro Salizzoni** (Turin, I)
Moderators: **Pierre Deprez** (Brussels, B)
Alessandro Zambelli (Crema, I)
- 16.40 EMR-ESD: do we really need EUS assistance?
Alessandro Repici (Milan, I)
- 17.00 Biliary therapy: are we ready for EUS-guidance?
Andreas Püspök (Vienna, Austria)
- 17.20 New frontiers for therapeutic EUS: dreams, style exercises or actual possibilities?
Michael B. Wallace (Jacksonville, USA)
- 17.40 Panel discussion:
endoscopist **Vincenzo Cennamo** (Bologna, I)
abdominal surgeon **to be defined**
clinician **to be defined**
pathologist **to be defined**
inrterventional radiologist **Dorigo Rigbi** (Turin, I)
- 18.00 EGEUS 2007 Closing remarks and thanks
Claudio De Angelis and **Mario Rizzetto** (Turin, I)

Workshop A: EUS in GEP neuroendocrine tumors and GISTs (new technologies for novel targeted therapies)

Renato Cannizzaro (Aviano, I)
Maria Angels Ginès (Barcelona, S)

Workshop B: EUS-FNA and tru-cut biopsies

Alberto Larghi (Rome, I)
Marcin Polkowsky (Warszawa, Poland)

Workshop C: Focus on Pseudocysts EUS-guided drainage

Luis Barranco (Barcelona, S)
Pierre Deprez (Brussels, B)

Speaker's corner sessions:

free interaction on difficult or unusual cases (photos or short videos) between attendants and Faculty

Coordinators: **Giacomo Bonanno** (Catania, I)

Vincenzo Napolitano (Naples, I)

Friday 14th from h 13.00 to h 14.00

2nd Session

Saturday 15th from h 13.10 to h 14.10

Learning center:

(PC positions with videos, CDs-rom, DVDs, EUS simulator).

Coordinators: **Paolo Bocus** (Pauda, I)

Sergio Peyre (Cuornè, I)

EUS European Cyto-Pathologist Group Second Meeting

September 14th, 2007

- 08.30 Official Opening
Gianni Bussolati (Turin, I) - **Pietro Fusaroli** (Bologna, I)
- 09.00 **Scientific sessions I** - Biliopancreatic
Moderator: **Fernando Schmitt** (Porto, P)
- 09.00 EUSFNA of Pancreatic exocrine tumors: comparison of
experiences with pathological diagnosis
Vincenzo Canzonieri (Aviano, I)
- 09.20 Histological sectioning of brush bristles allow improved
diagnosis of biliary tract lesions
Sofia Asioli, Grazia Accinelli (Turin, I)
- 09.40 Bile duct cytology: an approach on primary and secondary
malignant tumor
Marleen Praet (Ghent, B)
- 10.00 Discussion
- 10.30 *Coffee break*
- 11.00 **Scientific sessions II** - Miscellaneous
Moderator: **to be defined**
- 11.00 EUS-FNA of both infra an supradiafragmatic organs:
Karolinska experiences.
Edneia Tani - Vitali Sviatoha (Stockholm, Sweden)
- 11.20 Pleural cytology and the major importance
immunohistochemistry
Marleen Praet (Ghent, B)

11.40 GIST diagnosis by EUS-FNA and EUS guided needle biopsy: a complementary approach”
Manel Solé (Barcelona, S)

12.00 Discussion

12.45 *Lunch time*

Joint Meeting Cyto-Pathology Group and EGEUS

14.00 Hall A: Cytopathologists and clinicians common session
Moderators: **Gianni Bussolati** (Turin, I)

08.00 Participants registration - *Registrazione partecipanti*

08.30 Opening Remarks:
Claudio De Angelis (Turin, I) *EGEUS President*
Sylvia Lahey (The Netherland) *ESGENA Secretary*
Patricia Burga (Padua, I) *ANOTE President*

Scientific Session I

Endoscopic Ultrasound: History, Instruments and Techniques

Ecoendoscopia: Storia, Strumenti e Tecniche

President: **Sergio Crotta** (Aosta, I)

Moderators: **Fabio Corno** (Legnano, I)
Sylvia Lahey (Arnhem, The Netherlands)

08.50 What are we talking about?
(History and what is the EUS technique?)
Di che cosa stiamo parlando? (Storia e cos'è la metodica)
Carlo Fabbri (Bologna, I)

09.10 Nurses role in Endosonography
Ruolo dell'Infermiere nell'Ecoendoscopia
Marica Salvetti (Turin, I)

09.30 Instruments and accessories for diagnostic EUS
(radial scanning and miniprobos)
Strumenti ed accessori per EUS diagnostica

(radiale e minisonde)

Claudio De Angelis/Marcello Martini (Turin, I)

09.55 Instruments and accessories for interventional EUS
(sector scanner, needles, stents etc.)

*Strumenti e accessori per EUS operativa
(strumenti settoriali, aghi, protesi, etc.)*

Lucia Lodi/Barbara Secondi (Busto Arsizio, I)

10.20 Management and preparation: endoscopic suite, patient,
relatives. Instruments reprocessing

*Gestione e preparazione: sala, paziente e familiari.
Il reprocessing degli strumenti*

Luciano Mottola (Caserta, I)

10.40 Panel discussion - *Discussione*

11.00 *Coffee break*

Scientific Session II

EUS in mediastinal, gastric and colorectal diseases

Ecoendoscopia nella patologia del mediastino, stomaco e colon

President: **Patricia Burga** (Padua, I)

Moderators: **Cinzia Simeoli** (Napoli, I)
Vincenzo Cennamo (Bologna, I)

11.30 Mediastinal and gastric EUS: indications and technique of
examination

*Indicazioni all'Ecoendoscopia del mediastino, dello stomaco
e tecnica dell'esame*

Leonardo De Luca (Naples, I)

Maria Reale (Naples, I)

11.55 EUS and portal hypertension
Ecoendoscopia e ipertensione portale

Paolo Bocus (Padua, I)

12.15 EUS in submucosal lesions and extrinsic compressions of
the GI tract

*L'Ecoendoscopia nelle lesioni sottomucose e compressioni
estrinseche del tratto GI*

Lidia Arguello (Barcelona, S)

- 12.45 EUS in lower GI pathology: indications, technique and nurses implications
Ecoendoscopia nella patologia dell'apparato GI inferiore: indicazioni, tecnica e implicazioni infermieristiche
Giacomo Bonanno/Antonino Ferraro (Catania, I)
- 13.10 Panel Discussion - *Discussione*
- 13.30 *Lunch*
- Scientific Session III**
Interventional and bilio-pancreatic EUS
Ecoendoscopia bilio-pancreatica ed interventistica
President: **Fabio Fornari** (Piacenza, I)
Moderators: **M.R. Bonetti** (Caserta, I)
to be defined
- 14.30 Nurses role and training in Interventional EUS
Ruolo e formazione dell'Infermiere in Ecoendoscopia interventistica
Jayne Tillett (Cardiff, Wales GB)
- 14.50 Bilio-pancreatic EUS: technique and indications
Ecoendoscopia biliare e pancreatica: tecnica ed indicazioni
Elisabetta Buscarini, Paola Griffanti (Crema, I)
- 15.10 Therapeutic EUS: today and tomorrow
Ecoendoscopia terapeutica: oggi e domani
to be defined
- 15.30 Risk management. Relationship with the patient's relatives: who does what?
Gestione dei Rischi. Rapporto con i familiari: chi fa che Cosa?
to be defined
- 16.00 Panel discussion - *Discussione*
