Dear colleagues,

It is our pleasure to announce the forthcoming 7th Annual Conference of Gastroenterology that will take place in Sarajevo, Bosnia and Herzegovina from April 8-9, 2010.

This time, the Conference will be dedicated to new approaches in portal hypertension, inflammatory bowel disease, gastrointestinal oncology, esophageal reflux disease and advanced endoscopy.

What can we expect on this conference?

First day the "State of the Art" lectures will be delivered under the patronage of the European Society of Gastrointestinal Endoscopy (ESGE). Second day, for the first time in this region, the Endoscopy Course (ADEC) will take place, the Programme in organization with the World Organization of Digestive Endoscopy (OMED), under patronage of the ESGE, as well.

Again we have gathered an excellent team that will demonstrate, moderate, lecture and discuss. This is the result of the hard work done by our Organizing Committee, bringing to you the best of gastroenterology today.

Moreover, we have pleasure to invite you to 4th Congress of Gastroenterology and Hepatology in Bosnia and Herzegovina which will take place in Sarajevo May 25-28, 2011 in organization of AGEHA, ESGE, ASGE, OMED, EASL, WGO.

We are very proud to invite you to Sarajevo and looking forward to see you as a guest to this conference, leading conference of gastroenterology and hepatology in this region.

Sincerely,

Mehmed Gribajčević, MD, PhD
