The Sudanese Society of Gastroenterology is honoured to launch this great scientific event. The conference includes outstanding plenary sessions with lectures from renowned world experts in gastroenterology. The endoscopy workshop will be projected live to the conference podium. There are limited numbers for those workshops and earlybird registration will ensure attendance. Young specialists, doctors and nurses are encouraged to attend and early registration is highly advised.

*Professor Mohamed ElMakki Ahmed MS,
FRCSI (ElRasheid Ahmed)
Chairman of the Conference*
