# **IBD & SMALL BOWEL DISEASE**

**Budapest, Hungary November 15 – 16, 2013**

[www.quality-in-endoscopy.org](http://www.quality-in-endoscopy.org)

Dear Colleagues

It is our pleasure to announce the fourth symposium in the **Quality in Endoscopy** series with the topic **IBD & small bowel disease**. The **European Society of Gastrointestinal Endoscopy (ESGE)** is joining forces with the **European Crohn's and Colitis Organisation (ECCO)** for this event.

Attendees will have opportunity to network and learn from some of the brightest leaders in the field of IBD and small bowel disease. The programme encompasses a diverse range of educational tools. Alongside the frontrunners, presenters from the younger generation will contribute to innovative and lively sessions. Participants will take home with them state of the art knowledge on IBD and small bowel disease through lectures, case discussion, and debates.

Authors of **top accepted abstracts** aged 40 years or under will receive a travel grant (€ 500) and waived registration fee. All other authors of accepted abstracts for poster presentation will be offered the reduced early bird registration fee.

Experience has shown that the combination of highly communicative teaching with a strong, supportive faculty is the key to success for Quality in Endoscopy symposia and we look forward welcoming you to Budapest!

Yours sincerely

## SOCIAL EVENTS

**MEET 'N GREET:** Friday, November 15, 2013 from 6 - 6.30 pm

All participants are warmly invited to a casual meet 'n greet taking place at the Aquincum Hotel on Friday directly following the symposium. Drinks will be served and the get-together will give everyone the opportunity to network with old and new colleagues!

**SYMPOSIUM DINNER WITH THE FACULTY:** Friday, November 15, 2013 at 8.00 pm

Join us for a delicious dinner on a specially designed, 75-metre-long boat restaurant, "Spoon", situated on the Danube just in front of the Buda Castle. Docked on the Pest side at the foot of Chain bridge you have a brilliant panorama of the Buda side, with a direct view of the Castle district and Gellert hill.

**SPOON CAFE & LOUNGE**, Vigadó tér 3. Kikötő, 1052 Budapest, Hungary

ABSTRACTS

The Scientific Committee is happy to invite young endoscopists to share their research and/or remarkable cases on this subject with other meeting participants. We will therefore have continuous poster presentation during Friday and Saturday. With these poster presentations, we would like to provide young endoscopists a platform to discuss their work with colleagues.

Authors of top accepted posters aged 40 years or under will receive a travel grant (€ 500) and waived registration fee. All other authors of accepted abstracts for poster presentation will be offered the reduced early bird registration fee.

Deadline for submission of abstracts is **Sunday, August 18, 2013.**

CASE PRESENTATION

Case presentations are an integral part of Quality in Endoscopy symposia and have proven a great success. We would like to encourage young endoscopists to submit interesting case presentations. Up to ten presentations will be selected for inclusion in the programme. They will be presented by the faculty together with the successful submitter.

Successful submissions will be presented by the author together with the respective speaker of the selected session. One author per selected case presentation will receive a reduced registration fee of € 180.

Deadline for case presentation submissions is **Sunday, August 18, 2013.**
