LAST ANNOUNCEMENT

Course Directors:
Olivier Le Moine - ESGE Co - Director
Krum Katzarov - Local Co - Director
Michael Ortmann - ESGENA Co - Director
Dear Colleagues,

It is a great pleasure to invite you to the International Endoscopy Workshop supported by ESGE organized for the third time in our country.

The workshop is designated for gastroenterologists, surgeons, oncologists, but also for fellows in training, GI assistants and nurses.

The main purpose of the symposium is to demonstrate evidence-based approach to diagnostic and therapeutic endoscopy, new endoscopy techniques with an assessment of their clinical utility and cost-effectiveness, new endoscopic accessories and discussion about new trends in gastrointestinal endoscopy.

The program of the course includes a participation of leading European and Bulgarian specialists in gastrointestinal endoscopy.

Four State-of-the-Art lectures will be presented every day allowing comprehensive didactic sessions on diagnostic and therapeutic issues.

A satellite symposium for nurses will be focused on endoscopic hemostasis, patient sedation, endoscope disinfection and the role of an endoscopy nurse.

The official language of the workshop is English, simultaneous translation will be provided.
