Foreword

Dear Colleagues,

we invite you to experience detailed assessment of neoplastic lesions with new generation HD-Endoscopes and focussed 50- to 80-fold ZOOM of surface and microvascular patterns on virtual and real chromoendoscopy - to understand three major advancements in gastrointestinal endoscopy:

- Endoscopic diagnosis with excellent accuracy - of small and tiny early neoplasias including extent of submucosal invasion and lateral extension,
- Decision making on endoscopic or surgical resection of mucosal neoplasias, and
- Curative En-bloc resection of mucosal early cancers / precursor lesions.

This expert meeting focuses on how to learn HD-endoscopic staging of mucosal neoplasias, and strategies for Endoscopic Submucosal Dissection.

We hope to stimulate your interest and welcome you to the 6th Update on Endoscopic Skills in Salzburg.

F. Berr

H. Messmann

T. Ponchon

H. Seifert

The seminar takes place under the patronage of

endorsed by

Program

07:45 Coffee in the Foyer

Morning Session 8:15 - 12:00
Afternoon Session 13:00 - 16:15

LIVE DEMONSTRATIONS

- Magnifying endoscopic analysis
- Endoscopic decision on resective strategy
- ESD/ESR (submucosal resection) 4 cases
- ESD techniques
 - Dual-knife, Hook-knife, Flush-knife, Hybrid-knife

QUIZ SESSIONS (Digivote system)

Image-enhanced Endoscopic Analysis (T-staging)

- Gastroesophageal neoplasias
- Colorectal neoplasias

LECTURES (12 min each)

- Guideline indications for endoscopic en-bloc resection
- Analysis / Prevention of risky ESD maneuvers (videos)
- Histopathologic correlates of endoscopic imaging patterns
- New tools and tricks for endoscopic resection

General Information

Parking

Parking space is available at the Paracelsus Medical University Salzburg, Strubergasse 21

Registration

Pre-registration desirable under endo14@pmu.ac.at (for adequate organisation); please include name, address and number of participants

Credits

8 DFP points (Diplom-Fortbildung, www.arztakademie.at)
Fortbildungs-ID: 491737) or
6 AIO points (AIO der DKG, www.aio-portal.de)

Contact Information

Tobias Kiesslich, PhD

Venue

Paracelsus Medical University (PMU)
Lecture Hall 1, Strubergasse 21
5020 Salzburg, Austria

Arrival by car
from autobahn (A1, Westautobahn) take exit 'Salzburg Mitte', follow straight on Münchener Bundesstrasse / Ignaz Harrer Strasse → turn right to Wiener Bundesstrasse / Rudolf Bielz Str. → turn left to Strubergasse
