I am delighted to invite you to the 18th Düsseldorf International Endoscopy Symposium. Since our first meeting it has been our goal to highlight latest developments in endoscopic imaging and minimally invasive approaches to gastrointestinal and biliopancreatic diseases. With our varied program of lectures, discussions and live video presentations by experts from different schools we believe to have created an ideal professional learning atmosphere. The increasing attendance and very positive results of a detailed evaluation of the previous symposia prove that we were successful in doing so. The faculty, our team, the congress organization, LUX AV and myself are pleased to welcome you. We wish you an interesting and enjoyable stay in Düsseldorf.

Horst Neuhaus

Learning objectives of the symposium

- Evaluate recent advances in endoscopy; assess their clinical utility and level of evidence
- Apply new endoscopic techniques, instruments and accessories in GI and biliopancreatic diseases; compare them with traditional methods and devices
- Choose the optimal endoscopic approach for specific case management
- Manage failed interventions and adverse events
- Recognize the importance of an interdisciplinary approach
- Emphasize the importance of quality in endoscopy

International, multimedia and interactive format

- Live cases transmitted in high definition by a superb professional audiovisual team (LUX AV) from the Evangelisches Krankenhaus Düsseldorf
- Presentations and demonstrations by world renowned thought-leaders and experts
- Mini-symposia, state of the art lectures
- 2 Satellite symposia
- 7 Breakout sessions
- Symposium for nurses
- Continuous simultaneous translations (German, English, Russian)
- Interactive discussions / Q & A by microphone, SMS and e-mail
- Exhibition of a wide range of conventional and novel biomedical products

Intended audience

- Gastroenterologists, oncologists, internists
- Surgeons, interventional radiologists
- Nurses
- Trainees, students
Symposium Site: Maritim Hotel Düsseldorf

- Situated at the International Airport and easily accessible by all transportation systems
- Modern conference hall with high quality audiovisual transmission and a spacious area for the exhibition
- Convivial atmosphere for breaks and informal interchanges
- Short distance to the city center for combining work with pleasure (e.g. cultural venues, famous shopping, variety of restaurants)
- Convenient accommodation at special rates

COCS GmbH - Congress Organization C. Schäfer

- A professional and experienced organization with successful management of our previous symposia, as well as many other national and international congresses
- Online registration, national certification
- Reasonable registration fee includes all symposium activities, satellite symposia, breakout sessions, lunches, refreshments and free access to the local public transport system

www.endo-duesseldorf.com

- Program download (English, German, Russian)
- Online registration
- Updated information
- Selected lectures and live video cases from previous symposia
OLYMPUS SATELLITE SYMPOSIUM

Challenges in ERCP and EUS
Chair: G. Costamagna, Rome; H. Neuhaus, Düsseldorf

16.00 Introduction

16.05 The difficult biliary access

Advanced cannulation techniques
R. Hawes, Orlando

Surgically altered GI anatomy: developments in enteroscopy
J. Devière, Brussels

EUS guided approach: when and how?
T. Rösch, Hamburg

16.50 Role of cholangioscopy and pancreatoscopy in biliopancreatic lesions
T. Itoi, Tokyo

17.05 Stenting of complex biliary stenoses via ERCP or EUS
M. Barthet, Marseille

17.20 Round table discussion
Advanced ERCP / EUS techniques:
how far should we go in the individual case?

18.00 End of the satellite symposium

Registration required
no credits provided
Language: english and german with translation
The symposium takes place in room Mauritius on the first floor
07.00  MEDTRONIC SATELLITE SYMPOSIUM

Evidence based and personalized use of novel endoscopic technologies
Chair: F. Hagenmüller, Hamburg; T. Itoi, Tokyo

07.00  Introduction

07.05  Radiofrequency ablation in Barrett’s: who should get it and how to do it?
P. Sharma, Kansas City

07.20  Capsule endoscopy in Crohn’s management: current and future indications
T. Kühbacher, Hamburg

07.35  EUS guided FNA or FNB: which type of needle do we need?
P. Fockens, Amsterdam

07.50  Round table discussion:
how to integrate novel endoscopic technologies into routine practice?

08.15  End of the satellite symposium

Registration required
no credits provided
Language: english, no simultaneous translation
The symposium takes place in room Mauritius on the first floor
08.30  Introduction

08.40  Live Demonstrations I
Moderation: G. Costamagna, Rome; R. Hawes, Orlando; H. Neuhaus, Düsseldorf; H. R. Tillgaard, Aabenraa; N. Yahagi, Tokyo

10.15  Coffee break, visit of the industry exhibition

10.45  1. Mini-Symposium

Optimizing endoscopic resection of colorectal lesions
Chair: H. Messmann, Augsburg; N. Yahagi, Tokyo

10.45  Cold snare resection: when and how?
F. Hagenmüller, Hamburg

11.00  EMR or ESD: selection criteria and modern techniques
T. Toyonaga, Kobe

11.15  Endoscopic full thickness resection: indications, results and limits
K. Caca, Ludwigsburg

11.30  Questions and answers

11.45  Live Demonstrations II
Moderation: J. Devière, Brussels; P. Fockens, Amsterdam; T. Itoi, Tokyo; G. Rettig, Berlin; T. Rösch, Hamburg

13.00  Lunch, visit of the industry exhibition

14.00  Live Demonstrations III
Moderation: M. Dinis Ribeiro, Porto; H. Messmann, Augsburg; H.-J. Schulz, Berlin; P. Sharma, Kansas City

15.45  Coffee break, visit of the industry exhibition
2. MINI-SYMPOSIUM

Advances in endoscopic diagnosis and treatment of pancreatitis
Chair: G. Costamagna, Rome; H.-J. Krämling, Düsseldorf; T. Rösch, Hamburg

16.15 Management of autoimmune pancreatitis
T. Itoi, Tokyo

16.30 Approach to recurrent acute pancreatitis
R. Hawes, Orlando

16.45 Interventions for walled-off necrosis in acute pancreatitis
P. Fockens, Amsterdam

17.00 Developments in treatment of chronic pancreatitis
J. Devière, Brussels

17.15 Questions and answers

SYMPOSIUM FOR NURSES

Registration required; Language: German, no simultaneous translation
Chair: H.-J. Schulz, Berlin; K. Wietfeld, Marl

16.15 Emergency endoscopy: when, where and by whom?
F. Hagenmüller, Hamburg

16.35 Non-variceal upper GI bleeding: role of injection, coagulation, clips and spray
H. Messmann, Augsburg

16.55 Perforation due to endoscopic resection: prevention and treatment
K. Caca, Ludwigsburg

17.15 Bacterial transmission with endoscopes: what can happen and how to prevent?
H. R. Tillgaard, Aabenraa

17.35 Update on nurse assisted sedation in endoscopy
U. Pfeifer, Düsseldorf

18.00 End of the symposium
17.30 **SNACK WITH THE EXPERTS**
Breakout sessions for questions and answers
Registration required; Language: English, no simultaneous translation

A) EMR, ESD, ablation in dysplastic Barrett’s: who, when and how?
   *T. Rösch; P. Sharma, N. Yahagi*

B) Upper GI subepithelial lesions: watch and wait, EUS-FNA/FNB or resection?
   *K. Caca; H.-J. Krämling, P. Zhou*

C) Optimizing EUS guided biliopancreatic drainage
   *J. Devière; M. Barthet*

D) Crohn’s disease: capsule and endoscopy in diagnosis and treatment
   *G. Costamagna; M. Dinis Ribeiro, T. Kühbacher*

E) Resection of colorectal lesions: prevention and treatment of complications
   *F. Hagenmüller; H. Messmann, T. Toyonaga*

F) Endoscopic papillectomy: indications, techniques, limits
   *H. Neuhaus; P. Fockens, H.-J. Schulz*

G) Management of pancreatic cystic lesions: role of EUS
   *R. Hawes; T. Itoi*

18.30 End of the first day of the symposium
08.30  3. MINI-SYMPOSIUM

Gastric cancer: precancerous conditions and early tumour stages
Chair: P. Fockens, Amsterdam; H. Neuhaus, Düsseldorf

08.30  Precancerous conditions/lesions

Which are clinically relevant?
M. Vieth, Bayreuth

Endoscopic diagnosis and indications for surveillance or treatment
M. Dinis Ribeiro, Porto

09.00  Early gastric cancer:

How to improve detection and characterisation in Western countries?
H. Messmann, Augsburg

Endoscopic treatment: where is the limit to surgery?
N. Yahagi, Tokyo

09.30  Questions and answers

10.00  Coffee break, visit of the industry exhibition

10.30  LIVE DEMONSTRATIONS IV

Moderation: M. Barthet, Marseille; K. Caca, Ludwigsburg; F. Hagenmüller, Hamburg; T. Toyonaga, Tokyo; K. Wietfeld, Marl; P. Zhou, Shanghai

12.35  STATE OF THE ART LECTURE

Chair: M. Dinis Ribeiro, Porto

Barrett’s oesophagus: improving surveillance and treatment of early neoplasia
P. Sharma, Kansas City

12.55  Lunch, visit of the industry exhibition

13.35  Update on clinical and histological results of the live procedures
J. Kandler, Düsseldorf; P. Reinecke, Düsseldorf
13.50  **4. MINI-SYMPOSIUM**

**New technologies**
Chair: *T. Beyna, Düsseldorf; H.-J. Schulz, Berlin*

13.50  RFA for biliopancreatic tumours  
*G. Costamagna, Rome*

14.06  Update on peroral oesophageal and gastric endoscopic myotomy  
*T. Rösch, Hamburg*

14.22  Endoscopic full thickness resection of subepithelial gastric tumours  
*P. Zhou, Shanghai*

14.38  Gastroenterostomy by NOTES  
*M. Barthet, Marseille*

14.54  Duodenal mucosal resurfacing for type 2 diabetes  
*J. Devière, Brussels*

15.10  Progress in spiral enteroscopy  
*R. Hawes, Orlando*

15.30  End of the symposium
INTERNATIONAL

Barthet, Marc, MD, Prof.

The participation in the Satellite Symposium is free of charge.

Registration

Registration is preferred on our website www.endo-duesseldorf.com. You can also use enclosed registration form on page 31 (please return to mentioned address). Registration deadline is January 26, 2016. Please register on-site after this date. You will receive a confirmation after payment.

A separate registration is needed for the following sessions:
“Satellite Symposium” on Thursday, February 11, 2016 (translation)
“Satellite Symposium” on Friday, February 12, 2016
“Snack with the experts” on Friday, February 12, 2016
“Symposium for nurses” on February 12, 2016 (Language: German)

Payment

Please indicate on your bank transfer „Endo2016“ and the name of the participant. Payments after January 26, 2016 can only be accepted on-site.

Bank transfer to:
COCS GmbH, Munich
HypoVereinsbank Munich
IBAN: DE69 7002 0270 0039 6176 76
BIC: HYVEDE MMXX

Please note that we do not cover any bank charges.

Cancellation

In case of cancellation until January 26, 2016 we will reimburse your payment but an administration service fee of EUR 20,– will be charged. No refunds will be made in the event of any cancellations received after January 26, 2016.
SEE AND TREAT

Endoscopic Intervention with Olympus

Interventional endoscopy has undergone rapid development. Many patients who would have required surgery not long ago can now be easily treated via endoscopic therapy.

EMR, ESD, POEM, and stenting are only a few chapters of a success story that gastroenterologists like you are writing every day. With innovative endoscopic technologies – such as Dual Focus and NBI, coupled with a range of perfectly matched EndoTherapy instruments – Olympus provides you with the tools you need to provide targeted and effective treatment.

Homepage
www.endo-duesseldorf.com

Opening Hours
Thursday, February 11, 2016  14.00 – 18.00
Registration Desk
Friday, February 12, 2016  6.30 – 18.30
Saturday, February 13, 2016  8.00 – 16.00
An exhibition of biomedical and pharmaceutical products will be presented during the symposium.

**Opening Hours of the Exhibition**
- Friday, February 12, 2016 8.00 – 18.00
- Saturday, February 13, 2016 8.00 – 15.30

**Photography / filming**
No photography or filming during lectures or live demonstrations permitted. The organizers will share selected recordings, lectures and edited live demonstrations on the website [www.endo-duesseldorf.com](http://www.endo-duesseldorf.com).
Please advise in advance should you not wish to be recorded.

**SMS / E-mails to the moderator**
Questions or comments during the sessions can be sent via:
- SMS: announced on-site
- E-mail: endo@luxav.org
**Certification**

All participants will receive confirmation of participation at the end of the symposium. The symposium will be certified by the Ärztekammer Nordrhein. An endoscopy assistance certification will be arranged.

**Free Public Transport**

Use of public transport VRR (Verkehrs bund Rhein-Ruhr) on both days of the core meeting [February 12-13] will be permitted free of charge upon presentation of your name tag. This includes the regional train within the VRR, all buses, trams and metros (U- and S-Bahn).

**Congress Language**

The congress language is German and English with simultaneous translation during the entire meeting. Furthermore, there will be simultaneous translation into Russian. The symposium for nurses will be held in German only, the Symposium on Friday morning and the Snack with the experts will be held in English only.

**Congress Program**

You will find a German, English and Russian version of the program on the website [www.endo-duesseldorf.com](http://www.endo-duesseldorf.com).

**Congress Documents**

Congress documents will be distributed on-site at the registration desk in the Maritim Hotel. Participants from Germany, Austria and Switzerland will receive their congress documents by mail if payments are received by January 26, 2016.

**Name Tags**

For all participants it is mandatory to wear the name tag visible.

**Liability**

The congress organizer will bear no liability for loss, accident, damage or injury to persons or property irrespective of the cause. The client participates at all sessions, tours and events at his/her own risk. Sole place of jurisdiction is Munich, Germany. German law is applicable.

**Hotel Reservation**

We have arranged a special rate at the Maritim Hotel Düsseldorf for our participants, valid for reservation made for your stay from February 11 to 13, 2016. Please book online under [www.endo-duesseldorf.com](http://www.endo-duesseldorf.com) or with the enclosed reservation form on page 29 as soon as possible but not later than December 23, 2015.
EASY, SQUEEZY RECTAL TREATMENT
OF ULCERATIVE COLITIS

Salofalk® Granules 500mg/1000mg/1.5g/3g; Salofalk® 250mg/500mg Gastro-resistant tablets. Salofalk® 250mg/500mg/1g Suppositories, Salofalk® 2g/30ml and 4g/60ml Enemas; Salofalk® 1g Rectal Foam. Active ingredient: mesalazine (5-aminosalicylic acid). Composition: 1 sachet of Salofalk® granules 500mg/1000mg/1.5g/3g contains: active ingredient: 500 mg/1000 mg/1.5 g/3 g mesalazine. Other ingredients: aspartame (E951), carmelllose sodium, citric acid, silica colloidal anhydrous, hypromellose, magnesium stearate, methacrylic acid-methyl methacrylate copolymer (1:1) (Eudragit L 100), methylcellulose, cellulose microcrystalline, polyacrylate dispersion 40% (Eudragit NE 40 D containing 2% Nonoxynol 100), povidone K25, simeticone, sorbic acid, talc, titanium dioxide (E171), triethyl citrate, vanilla custard flavouring (containing propylene glycol). 1 tablet of Salofalk® 250mg/500mg/1g contains: active ingredient: 250 mg/500 mg mesalazine. Other ingredients: Calcium stearate, basic butylated methacrylate copolymer (=Eudragit E), methacrylic acid methyl methacrylate copolymer (1:1) (=Eudragit L), glycerine, silica colloidal anhydrous, hypromellose, macrocol 6000, cellulose microcrystalline, sodium carbonate anhydrous, povidone K25, talc. Colouring agents: titanium dioxide (E171), iron oxide hydrate (E172), additionally Salofalk® 500mg tablets: croscarmellose sodium. 1 Salofalk® 250mg/500mg/1g suppository contains: active ingredient: 250 mg/500 mg/1 g mesalazine. Other ingredients: hard fat; additionally Salofalk® 500mg suppositories: docusate sodium, cetyl alcohol. 1 enema of Salofalk® 2g/30ml or 4g/60ml contains: active ingredient: 2 g or 4 g mesalazine. Other ingredients: sodium benzoate (E211), potassium metabisulphite, sodium carbonate anhydrous, povidone K25, sodium edetate, xanthan gum, purified water. Note: Salofalk® enemas contain sodium benzoate and potassium metabisulphite. See patient information leaflet. Salofalk® 1g Rectal Foam: 1 actuation contains: active ingredient: 1 g mesalazine. Other ingredients: sodium metabisulphite (E223), cetostearyl alcohol, polysorbate 60, sodium edetate, propylene glycol. Propellants: propane, n-butane, isobutane. Note: Salofalk® 1g Rectal Foam contains sodium metabisulphite (E223), propylene glycol and cetostearyl alcohol. See patient information leaflet. Indications: Salofalk® granules 500mg/1000mg/1.5g/3g: acute treatment and prevention of recurrence of ulcerative colitis. Salofalk® 250mg/500mg tablets: acute treatment of Crohn's disease. Salofalk® 250mg/500mg/1g suppositories contains: active ingredient: 250 mg/500 mg/1 g mesalazine. Other ingredients: hard fat; additionally Salofalk® 500mg suppositories: docusate sodium, cetyl alcohol. 1 enema of Salofalk® 2g/30ml or 4g/60ml contains: active ingredient: 2 g or 4 g mesalazine. Other ingredients: sodium benzoate (E211), potassium metabisulphite, sodium carbonate anhydrous, povidone K25, sodium edetate, xanthan gum, purified water. Note: Salofalk® enemas contain sodium benzoate and potassium metabisulphite. See patient information leaflet. Salofalk® 1g Rectal Foam: 1 actuation contains: active ingredient: 1 g mesalazine. Other ingredients: sodium metabisulphite (E223), cetostearyl alcohol, polysorbate 60, sodium edetate, propylene glycol. Propellants: propane, n-butane, isobutane. Note: Salofalk® 1g Rectal Foam contains sodium metabisulphite (E223), propylene glycol and cetostearyl alcohol. See patient information leaflet. Indications: Salofalk® granules 500mg/1000mg/1.5g/3g: acute treatment and prevention of recurrence of ulcerative colitis. Salofalk® 250mg/500mg tablets: acute treatment and prevention of recurrence of ulcerative colitis. Acute treatment of Crohn's disease. Salofalk® 250mg/500mg/1g suppositories: acute treatment of (1g: mild to moderate) ulcerative colitis confined to the rectum. Additionally Salofalk® 250mg suppositories: prevention of recurrence of ulcerative colitis. Salofalk® 2g/30ml enemas: acute treatment of mild to moderate ulcerative colitis, localised in the rectum and sigmoid colon. Salofalk® 4g/60ml enemas: acute treatment of ulcerative colitis. Salofalk® 1g Rectal Foam: Treatment of active, mild ulcerative colitis of the sigmoid colon and rectum. Contraindications: known hypersensitivity to salicylates or any of the excipients; severe impairment of hepatic or renal function. Pregnancy and lactation: risk-benefit ratio. Additionally for Salofalk® Enemas and Rectal Foam: not to be used in case of sensitive patients (especially for known asthmatics or allergic anamnasis) due to the content of metabisulphite or sodium benzoate. Side effects: headaches, dizziness, peripheral neuropathy, abdominal pain, diarrhea, flatulence, nausea, vomiting, impairment of renal function including acute and chronic interstitial nephritis and renal insufficiency. Hypersensitivity reactions such as: allergic exanthema, drug fever, pancytopenia, lupus erythematosus syndrome, allergic and fibrotic lung reactions (including dyspnoea, cough, bronchospasm, alveolitis, pulmonary eosinophilia, lung infiltration, pneumonitis), peri- and myocarditis, acute pancreatitis, myalgia, arthralgia, altered blood counts (aplastic anemia, agranulocytosis, pancytopenia, neutropenia, leucopenia, lymphocytopenia), changes in liver function parameters (increase in transaminases and parameters of cholestasis), hepatitis, cholestatic hepatitis, alopecia, oligospermia (reversible). Additionally for Salofalk® 1g Rectal Foam: abdominal distension, anal discomfort, application site irritation, painful rectal tenesmus. Salofalk® 1g Supp.: constipation. Interactions and dosage: see patient information leaflet. Available on prescription only. Date of information: 11/2012

Special offer: Discounted travel with Lufthansa Group Airlines

Lufthansa Group Partner Airlines offer a comprehensive global route network linking major cities around the world. We offer special prices and conditions to participants, visitors, exhibitors, invited guests as well as employees of the Contracting partner and their travel companions.
To make a reservation, please click on [www.lufthansa.com/event-booking_en](http://www.lufthansa.com/event-booking_en) and enter the access code DEZEDRC in the „Access to Your Special Lufthansa Offer“ area. This will open an online booking platform that will automatically calculate the discount offered or provide you with an even better offer if another promotional fare is available. **NOTE: Pop-ups must be enabled otherwise the booking platform window will not open.**

These promotional fares are also available through your IATA / ARC travel agent. Travel agents can obtain ticketing instructions by sending an email to lufthansa.mobility@dlh.de and providing the access code as a reference.
For a successful arrival.
Travel by train from anywhere in Germany for just EUR 99.

COCS GmbH has partnered up with Deutsche Bahn to create an exclusive deal that allows you to travel conveniently to and from the **18th Düsseldorf International Endoscopy Symposium**. Take advantage and make the journey time yours. Use your outward and return journeys to work, read or relax. Whatever you decide to do, your long-distance travel with the Event Ticket will be powered by 100% renewable energy.

Your Event Ticket for a return journey to and from Dusseldorf is priced as follows:

<table>
<thead>
<tr>
<th>Ticket for booked trains</th>
<th>Fully flexible ticket</th>
</tr>
</thead>
<tbody>
<tr>
<td>2nd class EUR 99</td>
<td>2nd class EUR 139</td>
</tr>
<tr>
<td>1st class EUR 159</td>
<td>1st class EUR 199</td>
</tr>
</tbody>
</table>

We would be happy to inform you about ticket prices for international journeys on request. Your ticket is valid between February 9-15, 2016.

To book your journey, call the **service line on +49 (0)1806 - 31 11 53** and quote „**Endoskopie Dusseldorf**“ as reference. Alternatively, you can order your tickets by visiting: www.bahn.de/Veranstaltungsticket

We will call you back for the compulsory reservation. Please have your credit card details available.

BahnCard, BahnCard Business and bahn.bonus Card holders are eligible to receive bahn.bonus points on the Event Ticket. More information at www.bahn.de/bahn.bonus

**Your price advantage compared to the standard fare in first and second class:**

<table>
<thead>
<tr>
<th>e.g. for the route (outward and return journey)</th>
<th>1st class – 159 €</th>
<th>2nd class – 99 €</th>
</tr>
</thead>
<tbody>

</table>

We wish you a pleasant journey.

---

1. Tickets may be exchanged or refunded until the day before their first day of validity. A rebooking fee will apply. The terms and conditions for exchange and refund at the time of booking apply in accordance with DB’s conditions of carriage for saver fares (Sparpreise). Exchange or refund is not permitted on or after the first day of validity. For tickets with booked trains, purchase must be at least one day in advance. Tickets will be on sale for as long as supplies last.

2. Please note that on 4 November 2014 Deutsche Bahn AG introduced a surcharge for all credit card payments in accordance with the conditions of carriage for persons travelling with Deutsche Bahn AG companies („BB Personenverkehr“).

3. Prices subject to change. No liability accepted for the accuracy of the information given.
Maritim Hotel Düsseldorf
Maritim-Platz 1
40474 Düsseldorf
Germany

Arrival by car
Leave the motorway A44 at the exit „Düsseldorf Flughafen“. Follow the sign „Airport City“. The Maritim Hotel is located directly in front of you. Maritim Parking garage EUR 16,– per day.

Arrival by train
Take the train to Düsseldorf Airport “Fernbahnhof” and change for the Sky train to Terminal C. A direct terminal connection leads you to the Maritim Hotel.

REGISTRATION

18TH DÜSSELDORF INTERNATIONAL ENDOSCOPY SYMPOSIUM
February 11 – 13, 2016 – Maritim Hotel Düsseldorf

I will participate at the symposium:

Registration and payment until Dec 21, 2015 after Dec 22, 2015

- Physician EUR 130,– EUR 170,–
- Member of ESGE EUR 110,– EUR 150,–
- Member of bng EUR 110,– EUR 150,–
- Endoscopy assistance EUR 40,– EUR 60,–
- Student [with certification] EUR 20,– EUR 30,–

- I take part in the „Satellite Symposium”
  February 11, 2016, 16.00–18.00 (please see page 5)

- I take part in the „Satellite Symposium”
  February 12, 2016, 7.00–08.15 (please see page 6)

- I take part in the „Symposium for nurses”
  February 12, 2016, 16.15–18.00 (please see page 8)

- I take part in the „Snack with the experts”
  February 12, 2016, 17.30–18.30 (please see page 9)

- A EMR, ESD, ablation in dysplastic Barrett’s
- B Upper GI subepithelial lesions
- C Optimizing EUS guided biliopancreatic drainage
- D Crohn’s disease: capsule and endoscopy
- E Resection of colorectal lesions
- F Endoscopic papillectomy
- G Management of pancreatic cystic lesions

Please remit the amount until January 26, 2016 to the account of COCS GmbH, Munich
HypoVereinsbank Munich
IBAN: DE69 7002 0270 0039 6176 76

Please separate and return to given address.
ELEVATION AND ABLATION USING JUST ONE INSTRUMENT

Barrett ablation using HybridAPC
One instrument for all Barrett localizations and esophagus lumina

Our benefits
- Waterjet elevation prior to APC ablation
- Thermal protection of the muscularis
- Limited APC penetration depth, minimized risk of stricture
- Targeted, dynamic APC application; healthy epithelium is preserved

Benefits of the HybridAPC probe
- Cost-effective disposable instrument
- With proven APC and waterjet functions
- No instrument change for elevation and ablation

For further information on our complete range of products, visit our home page.

ERBE Elektromedizin GmbH | Tübingen | Telefon +49 7071 755-400 | www.erbe-med.com
ENDOCUFF VISION™
Verbesserung der Endoskopie-Effizienz

Ein anwenderfreundlicher und innovativer Einmal-Aufsatz

Bessere Sichtbarkeit
durch Glättung der Darmfalten sowie Zentrierung des Koloskops ohne Red Outs

Bessere Steuerung
Verhinderung eines plötzlichen Durchrutschens des Endoskops

Die ENDOCUFF VISION™-gestützte Koloskopie hat das Potenzial, die Effizienz der Koloskopie bezüglich der Adenom-Detektions-Raten zu erhöhen und somit die Inzidenz kolorektaler Karzinome (Darmkrebs) zu verringern.1

NORGINE und das Norgine-Segel sind eingetragene Marken der Norgine Unternehmensgruppe. ENDOCUFF VISION ist eine Marke von Arc Medical Design Limited. DE/NOR/0615/0403
