

IV KAROLINSKA LIVE: UPPER GI, EUS & ERCP

18-19th March 2019

18th March

8:30- 09:45

Diagnostic upper gastrointestinal endoscopy

- Differences between Swedish and Japanese endoscopists. How can we improve?

Anders Edebo (Göteborg) & Toshiaki Hirasawa (Japan)

- Can artificial intelligence help us in the diagnostic process?

Toshiaki Hirasawa (Japan)

10:15-12:00 Live endoscopy (4 parallel endoscopy rooms)

Moderators

Endoscopists: Jeanin van Hooft, P. Bandhari, Alberto Larghi, Masami Omae, Toshiaki Hirasawa, Francisco Baldaque-Silva

Chromoendoscopy in upper endoscopy, variceal ligation, unroofing of subepithelial lesions.

eosinophilic esophagitis, gastric polypectomy, Zenker's diverticulectomy

EUS-guided tissue acquisition, elastography and contrast enhanced EUS, endoscopic ultrasound guided therapies, EUS ablation of pancreatic/biliary tumors, ERCP.

12.00-13.00 LUNCH

13.00-14:30 Live endoscopy (4 parallel endoscopy rooms)

Moderators:

Endoscopists: Toshiaki Hirasawa, Jeanin van Hooft, P. Bandhari, Urban Arnelo, Masami Omae, Francisco Baldaque-Silva

ESD for SCC/BE, RFA and ESD for the treatment of BE, treatment of GAVE.

ERCP, cholangioscopy, EUS, Duodenal EMR.

14:30-15:00 COFFEE BREAK

15:00-16:00 Live Endoscopy (4 parallel endoscopy rooms)

Moderators:

Endoscopists: Toshiaki Hirasawa, Jeanin van Hooft, P. Bandhari, Urban Arnelo, Masami Omae, Francisco Baldaque-Silva

Telecytologi for EUS, ESD for SCC/BE, ERCP, cholangioscopy.

16:15-17:30 Symposium sponsored by Boston Scientific

18:30/19:00 Dinner

19th March

8:00-9:15 Symposium sponsored by Kungshusen

09.30 INTRODUCTION/WELCOME

Moderators:

09.30 **What's new from 2018?** Marco Bruno

09.50 **Premedication before UGI endoscopy: why and how?** Masami Omae

10.10 **How is my UGI endoscopy report - round table:** examples from UK, Sweden and Japan. How to report better? P. Bandhari, Toshiaki Hirasawa, Charlotte Höög

10.50 COFFEE BREAK

Moderators:

11.10 **Endoscopic management of UGI perforations and fistulas.** Miguel Munoz Navas

11.30 **Eosinophilic esophagitis: from basics to management .** Anne Lund Krarup

11.50 **Coeliac disease: what is new?** Jonas Ludvigsson

12.10 LUNCH Visit to the posters

Moderators:

13.00 **Oral presentation of best abstracts**

13:30 **Oral presentation of best videos**

14:00 **Endoscopic meatballs** (short presentations with video).

Moderators:

14:00 **Zenker's diverticulectomy**

14:10 **Endoscopic treatment of esophageal and gastric varices** Miroslav Vujasinovic

14:20 **Danistent – how to deploy and remove it?**

14:30 **Doppler endoscopic Probe: how to use it?** Masami Omae

14:40 **Benign esophageal stricture: how to manage it?** Jeanin van Hooft

14:50 **Chromoendoscopy in upper GI endoscopy** P. Bandhari

15:00 **Esophageal ESD** Francisco Baldaque-Silva

15:10 COFFEE BREAK

Moderators:

15.40 **Gastric ESD** Toshiaki Hirasawa

15:50 **New approach in transmural endoscopic resection of gastric lesions** Diego Juzgado

16.00 **Unroofing for subepitelial lesions** Francisco Baldaque-Silva

16.10 **ABC of contrast on EUS** Alberto Larghi

16:20 **EUS-guided portal pressure gradient measurement** Marco Bruno

16:30 **Double balloon assisted ERCP: how I do it** Urban Arnelo

Final remarks & prizes for best poster and communications

Peter Thelin Schmidt , Francisco Baldaque Silva

16.40 End of session.
