Given Imaging Research Grant

This grant has been initiated to support innovative, original research in gastroenterology with substantial involvement of capsule endoscopy.

Grant requirements

Application is open to ESGE Individual Members working in a medical institution within the ESGE zone (Central and Western Europe, Mediterranean and North Africa).

Applicants should have capsule endoscopy experience and access to a capsule endoscopy system. Young researchers will be treated with preference.

Grant benefits

A substantial number of capsules will be provided, the number determined by the Research Grant Committee on review of the successful grant application. Travel expenses and Ethical Committee fees will be covered up to a maximum total value of € 8,000.
