#### ESGE Research grant

ESGE research grants are awarded to the best research projects in the field of gastrointestinal diagnostic or therapeutic endoscopy.

Two grants of 10,000 € per year are awarded to ESGE individual members. Support is preferably given to multicentre projects presenting original ideas by well organised teams with a reasonable budget.

For more information and online application, please visit [www.esge.com](http://www.esge.com)

*Application deadline:*  
August 16, 2011

#### ESGE Given Imaging Research grant

The Given Imaging research grant has been initiated to support innovative, original research in gastroenterology with substantial involvement of capsule endoscopy.

A substantial number of capsules will be provided, the number determined by the Research Grant Committee on review of the successful grant application.

Travel expenses and Ethical Committee fees will be covered up to a maximum total value of € 8,000.

The grant for the year 2011 was awarded to Dr Negreanu, Romania, to support the study on the role of capsule endoscopy in high risk CCR patients unable to perform colonoscopy.

For more information and online application, please visit [www.esge.com](http://www.esge.com)

*Application deadline:*  
August 16, 2011
