#### ESGE Compact Library

We are happy to announce that the ESGE Compact Library DVD, a compilation of the existing ESGE Teaching Encyclopedia, is now available for online order to all ESGE individual members.

This DVD incorporates the highlights of volumes 1–26, in which world class experts demonstrate ERCP, EUS, Upper and Lower GI tract procedures. Diagnostic, as well as therapeutic techniques are explained and demonstrated in detail. Meanwhile the recently formed ESGE e-learning working group, chaired by Lars Aabakken, is busy preparing new teaching aids. In addition to this revised encyclopedia which will remain a benefit to ESGE individual members, selected material will be distributed on the OLGa platform for online access.
