Amsterdam Live Endoscopy 2013

December 16, 2013
Amsterdam, The Netherlands

Together with the entire team of the department of Gastroenterology & Hepatology at AMC with top-endoscopists from around the globe, Amsterdam Live Endoscopy combines teaching of high-end therapeutic interventions with teaching of the more routine diagnostic and therapeutic interventions demonstrated in the most optimal way. The meeting is proud to have a very lively interaction between faculty and participants, either through perfect audio-lines or one on one during breakout sessions as well as coffee- and tea breaks.
