Don't miss the application deadline, August 15, 2014!

ESGE Research grant

ESGE offers up to two grants of 10,000 € each per year to original research projects in gastroenterology.

Preference will be given to multicentre projects presenting original ideas by well-organized teams with a reasonable budget.

For more information and online application, visit www.esge.com

ESGE Given Imaging Research grant

The Given Imaging research grant supports innovative, original research in gastroenterology with substantial involvement of capsule endoscopy.

One grant of 8,000 € per year is awarded to ESGE individual members. For more information and online application, please visit www.esge.com
