ENDO2017 World Congress of GI Endoscopy

February 16 – 19, 2017
Hyderabad, India

ENDO 2017 – the first World Congress of GI Endoscopy – is a World Endoscopy Organization première, a global event entirely devoted to gastrointestinal endoscopy. With an exciting program, paired with world renowned experts, a truly unique and exciting event is in the making.

In February, the Steering and Scientific committees met in Hyderabad where they had the opportunity not only to discuss the congress planning in detail but also to visit the impressive and modern venue, HICC, where the congress will be held.

Dr Reddy with the organizing committee during the Hyderabad site visit.

The Scientific Program includes cutting-edge information on a broad range of Gastroenterology, Hepatology and Oncology topics presented from the perspective of an endoscopist. Presentations will combine basic science and clinical practice, with a spotlight for topics relevant to the Asia-Pacific region and emerging countries.

Abstract submission is now open and basic, clinical or transitional research findings are welcome. Videos can also be sub-

mitted for the "Video Marathon" session. Submission for both abstracts and videos closes on August 31, 2016.

Visit www.endo-2017.org to register online and learn more about this exciting event.
