ESGE Young Endoscopists

Welcoming the next generation of endoscopists!

ESGE is establishing a special working group, the ESGE Young Endoscopists (EYE). As the name suggests, ESGE wishes to increase the involvement of young and upcoming endoscopists in the society. This group should keep an “eye” on all ESGE activities to help increase the awareness of the needs of the future generation of endoscopists.

EYE will be an integral part of ESGE. EYE members will participate in ESGE committee activities and other ESGE endeavors/programs. Whilst giving important input, EYE members will also benefit from being part ESGE at the start of their professional career.

Interested? Please contact the ESGE secretariat for online application.

membership@esge.com

ESGE Individual Membership

Are you one of the 1,800 endoscopists from over 100 countries who are enjoying the benefits of individual membership? If not ... why not join now and receive the many associated benefits:

- Reduced registration fees to ESGE events
- Subscription to the journal Endoscopy (print version as well as online access)
- Eligibility for fellowship grants

- Eligibility for research grants
- Active participation in ESGE guidelines
- Free online access to ESGE eLearning

... and last but not least, enjoy 50% savings on ESGE Days 2018 registration. Registration opens in June. There has never been a better time to join ESGE!

Apply online at www.esge.com

ESGE organized events

ESGE Days 2018

April 19 – 21, 2018

Budapest, Hungary

The ESGE Days 2018 scientific committee has designed an innovative program for the endoscopy community. An overview of the general format and sessions is now available online at <http://www.professionalabstracts.com/esge2018/iplanner/>

Would you like to be informed when registration opens in June? If you are on our mailing list, you will automatically receive an announcement. If not, please contact secretariat@esgedays.org so that we can add your name.

Are you already an ESGE member? If so, take advantage of the special registration rates.

25th UEG Week Barcelona 2017

October 28–November 1, 2017
Barcelona, Spain

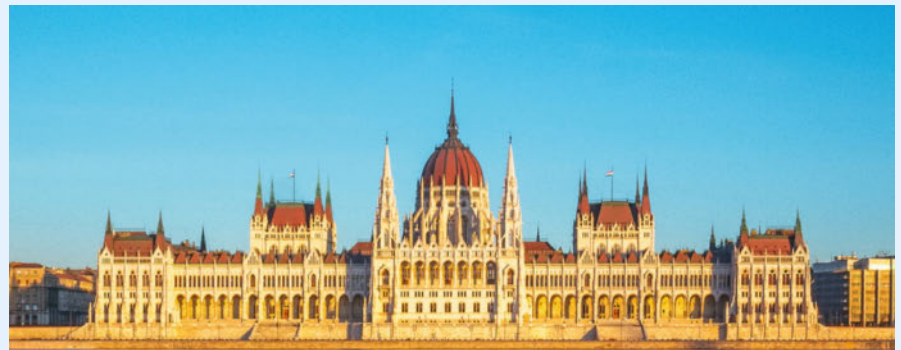

Learn about new work in your field: UEG Week features the latest updates in gastroenterology!

Due to the great success of the “From guidelines to clinical practice” symposia, UEG has created a dedicated pathway on

Monday and Tuesday in addition to our popular “Advances in clinical gastroenterology & hepatology” featuring scientific breakthroughs on Functional GI disorders and GORD in 2017. Another highlight is the UEG Week Hotspot, a platform for the most controversial sessions and hottest debates. With the Postgraduate Teaching Programme, offered as a 3-year curriculum, you gain all major updates in GI & hepatology.

Benefit from early bird registration fees before May 18, 2017 www.ueg.eu/week/attendance/registration/
