

ESGE News and Upcoming Events August 2017

ESGE Days 2018 update

ESGE Days 2018

April 19 – 21, 2018
Budapest, Hungary

Have you visited www.esgedays.org recently? If not, it's a good time to get the latest updates – our congress website has all the news.

Explore the scientific programme for a transparent and detailed overview of all the sessions. Just sign in and click on the stars in the sessions to build your own personal itinerary. This will be transferred to your personalised congress app shortly before the meeting.

Members benefit

ESGE members get the best registration rates for this event, so if you have not already become an ESGE Individual Member, now is the ideal time to join us. To find out more about how to become an ESGE member, visit www.esge.com.

Live Demonstration

Transmitted direct from Augsburg, Germany, the ESGE Days Live Demonstration sessions will give participants insight into how European leaders in the field of Endoscopy tackle routine and more unusual procedures.

Real time interaction with physicians during Live Demonstration procedures will allow participants to field questions and to get the most out of these learning experiences. Review sessions will also offer the opportunity to revisit the main teaching points of therapeutic procedures.

For more information and to register for ESGE Days 2018 visit www.esgedays.org

When will we see you again?

Attend one of the ESGE endorsed events below and take advantage of the registration fee reductions as an ESGE individual member.

Other events of interest
25th UEG Week Barcelona 2017
October 28–November 1, 2017
Barcelona, Spain

Other events of interest**25th UEG Week Barcelona 2017**

October 28–November 1, 2017
Barcelona, Spain

Learn about new work in your field: UEG Week features the latest updates in gastroenterology!

Due to the great success of the “From guidelines to clinical practice” symposia, UEG has created a dedicated pathway on Monday and Tuesday in addition to our popular “Advances in clinical gastroenterology & hepatology” featuring scientific breakthroughs on Functional GI disorders and GORD in 2017. Another highlight is the UEG Week Hotspot, a platform for the most controversial sessions and hottest debates. With the Postgraduate Teaching Programme, offered as a 3-year curriculum, you gain all major updates in GI & hepatology.
