Gastrointestinal Endoscopy**

ESGE

Research Grants 2020

esge.com

ESGE Research Grant

ESGE Research Grants are awarded to the best research projects in the field of gastrointestinal diagnostic or therapeutic endoscopy.

Grants are open to ESGE Individual Members working in medical institutions within the ESGE zone (Central and Western Europe, Mediterranean and North Africa).

Two € 10.000 grants are awarded per year. Support is preferably given to multicentre projects presenting original ideas by well organised teams with a reasonable budget.
