Overall design: Live endoscopy workshop combined with oncological multidisciplinary session

- Six live endoscopy sessions preceded by short practical lectures or panel discussions
- One oncological multidisciplinary session combined with live histopathology demonstration
- Two international sessions (English) & Five national sessions (Polish)
- Simultaneous transmission to a separate room with moderation in Russian
- Live streaming

Expected number of participants: up to 350 physicians + 50 endoscopy nurses

International Faculty (preliminary):

M. Bourke (Australia)

E. Fedorov (Russia)

E. V. Ivanova (Russia)

M. Di Pietro (UK)

T. Iizuka (Japan)

T. Roesch (Germany)

National Faculty (preliminary):

Andrzej Baniukiewicz
