Running tour

With a great scientific programme, ESGE Days 2020 caters to a healthy mind. Why not take part in our running tour around Dublin to make your body is also kept in tip-top shape!

When: Saturday, April 25, 2020
 Meeting point: Convention Centre Dublin
 Time: 6:30 –7:30
 Price: € 33

The running tour will take you past some of Dublin's most iconic sights such as the Halpenny Bridge, Dublin Castle, Trinity College Dublin and even to the heart of Temple Bar where you can see the cobble stone streets and pub fronts for which Dublin is so well-known (no time for a pint though – you will have to schedule that for another time!).

The 5K running tour is suitable for runners of all abilities and will take about an hour to complete, leaving you more than enough time to get ready for the last day of the congress.

Make sure to register by April 20, 2020 to take part in this novel addition to our programme.
