

## ESGE News and Upcoming Events

### October 2020

### ESGE Days 2021 Abstract submission now open

It is with great pleasure that ESGE invites you to submit your abstracts for ESGE Days 2021, taking place in Berlin, Germany, March 25–27, 2021.

By opening the call for abstracts, ESGE wishes to engage with our participants, to open up a forum which offers investigators the opportunity to discuss and disseminate their work on an international stage.

ESGE encourages work that contains basic, clinical or translational research findings.

- All accepted abstracts will be published in the journal *Endoscopy*
- Travel grants will be awarded to the top abstracts (abstract author must be 40 years old or younger).

Submit your abstract before **November 30, 2020** for your chance to actively contribute to ESGE Days 2021.

### ESGE “Seminar Wednesdays”

With the mission of educating and promoting quality in the practice of digestive endoscopy ESGE has greatly expanded its seminar series.

Based on ESGE Guidelines and the most current topics impacting the practice of endoscopy, ESGE hosts weekly seminars completely FREE so you can discuss, learn and debate from wherever you are.

See the list of upcoming ESGE seminars at [www.esge.com](http://www.esge.com)

Also, if you have missed any of our previous seminars, you can watch them anytime at [www.esge.com](http://www.esge.com).

### NEW! ESGE Position statement

#### Position Statement

Curriculum for optical diagnosis training in Europe: European Society of Gastrointestinal Endoscopy (ESGE) Position Statement

*Evelien Dekker, Britt B. S. L. Houwen, Ignasi Puig et al.*

Please read page 899–923 in this issue of *Endoscopy*.

Free access at [www.esge.com](http://www.esge.com)

This ESGE position statement comprehensively addresses, for the first time in Europe, a clear framework for the provision of training in optical diagnosis during endoscopy. It encompasses the skills required prior to commencing training in optical diagnosis, structured training steps for trainees to achieve and maintain competence, and ways of ensuring proficiency, with several practice recommendations.
