

## ESGE News and Upcoming Events December 2020

### ESGE Days 2021 Going virtual. Keeping it real.

**When: 25-27 March 2021**  
**Where: 100% Online**

We look forward to re-connecting with our community in March for another exciting and cutting-edge ESGE Days 2021 – but this time online!

ESGE Days aspires to be the premier GI endoscopy congress in Europe bringing together the entire endoscopy community to discuss the latest advances in our field and providing excellence in education. ESGE Days brings together a multidisciplinary team to present, debate and discuss ideas related to the field of GI endoscopy.

ESGE Days aims to share insights on the latest research with a cutting-edge scientific programme that includes LIVE endoscopy demonstrations, didactic lectures, specialized symposia and discussions.

We have kept the traditional activities our participants love such as the Innovation of the Year award and the very popular and competitive ESGE Days Cup – we look forward to receiving the most inspiring and ground-breaking research for our ESGE Innovation of the Year award and to see our community cheering for their teams at the ESGE Days Cup.

Stay tuned as there are many new and novel activities to come as part of ESGE Days 2021... we look forward to welcoming you to our virtual world!

### ESGE Medtronic Artificial Intelligence Research Award

**October 1, 2020:**  
**Online application opened**  
**January 31, 2021:**  
**Application deadline**

The ESGE Medtronic Research Award supports Artificial Intelligence (AI) research in the field of colonoscopy.

The ESGE Research Committee is particularly interested in research pertaining to (in no particular order): impact of AI on colonoscopy quality parameters, differential impact stratified by endoscopist experience and setting, role of AI in training, identification of subtle neoplasia in patients at increased risk of colorectal cancer.

For more information on the Medtronic Research Award instructions and requirements, please access [www.esge.com](http://www.esge.com).

### ESGE Research Endorsement

In addition to the financial research grants, ESGE now offers the opportunity to apply for ESGE endorsement for investigator-initiated research projects.

ESGE endorsement may enhance the chances of funding from intramural and extramural funding sources (e.g., Industry, National Grants bodies, Charities, etc.) and rapid dissemination of research ideas.

Evaluation of research endorsement applications is performed on an every other month basis (6 times/year) in order to avoid delays in applications to other grants.

Access [www.esge.com](http://www.esge.com) for more information

### Opening Now – ESGE Research Grant Submissions

**Submission portal opens: Sunday,  
December 1, 2020**

ESGE research grants support innovative, original research in gastrointestinal endoscopy and gastroenterology.

In 2021, the research grants will evolve into the ESGE research Champion's Den, which is an annual competition for research funding taking place at ESGE Days.

Submission deadline: Monday, January 10, 2021, at 24:00 CEST

Read more about ESGE research grant application requirements and apply online at [www.esge.com](http://www.esge.com).
